

Meals for the Elderly

American Paper & Packaging connects with Barley Pop and Interfaith Caregivers to provide meals to the elderly!

It was a pleasure for AP&P to donate funds for food, preparation, and distribution to the elderly over the Christmas season and throughout the month of January 2021. Thank you to all who participated. Those who received meals were extremely grateful for the gift provided. We are pleased to say there was plenty of food to go around. We hope to be part of this giving tradition for years to come!

If you have any questions or suggestions regarding how AP&P can become involved in your outreach program of choice, don't hesitate to touch base with us.

Sincerely,

American Paper & Packaging
