

IFCP – CITRUS CLEANER

SUPER CONCENTRATE – NEUTRAL FLOOR CLEANER / ALL PURPOSE CLEANER

WHERE USED:

Automatic floor scrubbers, distribution centers, small to large warehouse facilities, and any facility seeking a floor cleaner that is highly dilutable, low foaming, non-fuming, gentle on equipment and, most of all, user friendly.

HOW USED:

- Diluted at an elevated dilution range of 80:1 all the way up to 200:1 depending on the soil load.
- Dilution methods are flexible. This can either be diluted using a high flow wall mount proportioner or a high volume proportioner with a ready to use holding tank that can provide a fill rate up to 20 gallons per minute.

FEATURES:

- Safe and effective floor cleaner
- Highly concentrated formula saves cost by reducing space and freight
- Safe for use on all concrete surfaces including sealed and epoxy coated floors
- Innovative non-silicone formula eliminated foam faster than most products
- Balanced neutral formulation has a pH of 7
- Remarkable results with little effort for a neutral cleaner
- 1-2 drums can maintain a 1,00,000 square foot facility on an annual basis

pH of Conc.	6.8-7.2
pH of 20:1 dilution:	7.0
Solubility:	Soluble in water
VOC content:	0%
Biodegradable:	YES

CONTAINER SIZES: 12x32 oz. case, 5-Gallon Pail, 55-Gallon Drum, 275-Gallon Tote
