

Veteran's Day

Monday, October 26, 2020 9:44 AM

Come together to show
appreciation for our
Veterans

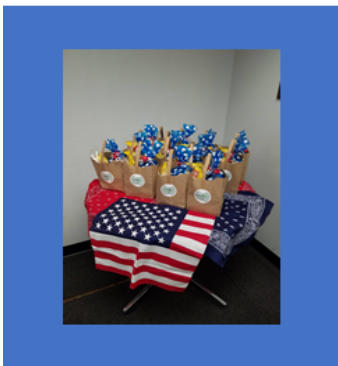

AP&P was proud and honored to assist Materion in their venture to pay tribute to their veteran employees Nov. 11th, 2020.

20 vets in total were given a lunch on AP&P and were also provided gift bags with goodies such as t-shirts and gift certificates.

Everyone involved enjoyed themselves and the veterans that participated were extremely grateful for the event.

Veteran's Day 2020

A big thanks to Materion's own Rachel who encouraged AP&P's partnership with this holiday celebration. Rachel, who states **"I am very passionate about this cause"**, can relate to the hardship of seeing a loved one deployed as her son is a military veteran. She says, **"It taught me I should give greater appreciation to the men and women who serve our great nation."**

*THANK YOU,
VETERANS, FOR YOUR
SERVICE*
